

Good day to you,

I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve. As a long haul Truck Driver, there is not another service available on the highways that can surpass the information (weather, traffic, and news), entertainment, talk radio, and Spiritual teaching of the Gospel that is available uninterrupted nationwide that XM radio provides me with. I strongly urge you to continue to allow this fine service to exist that is enjoyed, and used by so many millions of people. As a Trucker, I rely upon it almost continually.

Thank you for your efforts to safely provide for us, the tax paying citizens of these United States, the finest broadcast news and entertainment adhered to by the Laws and standards of the US.

respectfully,
Wm. A. "Bill" Lee
